Contents:

- Revised Executive contact list
- Changes to Professional Development Forms (attached)
- Terms Of Reference: Sustainability Action Plan Committee
- Faculty ID card
- TRUOLFA meeting 2009 May 2 at noon

Revised Executive Contact List

We are grateful for members who have the interest and will make time to fill executive positions. A list of current executive and their contact information is attached. There is an opening for a Board member; meetings are by teleconference. The health of our organization needs members to become involved, since learning is a gradual process.

Changes to Professional Development Committee and Forms

The make-up of the Tutor Professional Development Committee has recently changed. John Patterson has joined the Committee and Don Sinclair has assumed the role of PD treasurer. Jim Barmby remains on the Committee as the TRU representative. The new PD application form is attached. When submitting your PD application, please send the completed form, plus any additional relevant information, directly to John Patterson (if possible, by e-mail). After completion of your activity, your request for reimbursement, plus your original receipts and activity report, should also be sent to John Patterson. Thanks!

Sustainability Action Plan Committee: Terms Of Reference:

Please apply to TRUOLFA president June Williams (jwilliams@tru.ca) if you wish to be considered for TRUOLFA's representative on this Sustainability committee. You will be paid for meeting times etc.

Here is the message from Tom Owen: "I have enclosed a proposed TOR for the Action Plan Committee for your review and comment. I would like you to appoint one person to the committee. The intention is to make sure that the broad range of interest, understanding and opinion here at TRU is represented in the action plan. The process will be supported by a Coop Student so the Committee Members can think and reflect rather than spending their time on routine research and analysis. I trust that this is acceptable to you and I look forward to receiving the name of your nominee to the committee."

See the document [attached](#).

Faculty ID card

While you are at the TRU campus for the workshop, you might want to go to the Registrar's office and ask for a faculty id card; they take a photo and in a few minutes, you have the card.

TRUOLFA meeting 2009 May 2 at noon

We hope that you will participate in the Saturday TRUOLFA meeting from noon to 2 pm with lunch provided. We will not be conducting formal business which requires notice to members, but this is time for us to meet to share ideas and express concerns. Vice-president Trudy Temple will conduct the meeting, since June Williams is attending the graduation of one of her children from a university in Nova Scotia.
