

Robert McDonald Lindsay (Bob)

August 14, 1935 - February 11, 2020

It is with deepest sadness that we announce the passing of our beloved Robert McDonald Lindsay (Bob) on February 11, 2020. Bob is survived by his three children Andrew, Graeme and Allison, and their families: his wife Mary Louise and her children Susan, Patti and Tom and their families. Bob was born on August 14, 1935 in Campbellton, New Brunswick to parents C.B and Jean Lindsay and was the older brother to Gordon Lindsay. From an early age Bob was an extremely inquisitive child and a voracious reader. His passion for literature lasted his entire life and he took great joy in sharing his knowledge with others. He spent his early youth in Winnipeg, Manitoba and later moved to Vancouver, British Columbia where he attended Magee High School. He graduated from the University of British Columbia with a Bachelor of Commerce and later completed a Master of Education degree. Bob always loved the outdoors, fishing and camping and spending summers at the family cabin on the Sunshine Coast. He will forever be remembered for his generous, fun-loving and humorous nature. He was quick with a joke and selfless in volunteering his time coaching and supporting various sporting teams. Bob was longtime educator and coach having taught for close to 60 years in both New Brunswick and British Columbia. He was one of the original Open Learning / Thompson Rivers University professors where he taught accounting and finance for over 38 years. Bob touched many lives and will be forever loved and missed.
